RESPONSE to Office Action, dated January 7, 2004

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to an Office Action dated January 7, 2003, with a three month period for response, please amend the above identified application as follows. In conjunction with the present response, an information disclosure statement is being simultaneously submitted. In association therewith, a fee in the amount of \$180 is believed to be due. Additionally the present amendment introduces an additional independent claim, where after the present amendment the application includes a total of 32 claims, 9 of which are independent. The highest number of claims previously paid for includes a total of 34 claims, 8 of which are independent. The fee associated with the extra independent claim is believed to be \$86. The total amount believed to be due is \$266. The applicants' representative authorizes the Commissioner to charge the fees associated with the filing of an information disclosure statement and the extra independent claim, as well as any other fees deemed to be necessary in connection with consideration of the present amendment including any fee required to cover any deficiency associated with any underpayment, or to credit any overpayment to Deposit Account No. 50-2117, of Motorola, Inc.
